

Hello Godsman Elementary –

My name is Jennifer and I am with Community Planning and Development with the City and County of Denver.

Soon, we will be kicking off the **Southwest Area Plan**. This plan guides the **development and growth of the following neighborhoods:**

- Westwood
- Mar Lee
- Ruby Hill
- Athmar Park
- Overland

We are having a public meeting on **Wednesday, September 11th at the Westwood Community Center from 6pm to 8pm**. We are inviting all community members (including your staff!) in the area to attend and **give their feedback on key issues and opportunities in their neighborhoods for growth and development**. You are all the experts in your community and have insight on these topics. **Childcare and food will be provided.**

We will be talking about:

- Housing
- Streets and safety
- Traffic calming
- Food access
- Quality of life
- Tree canopy
- Transit & Mobility
- Parks
- And more!

Our Asks:

- Please share this important opportunity for community engagement with your networks. We want to hear from folks who don't usually make their voices heard. Let us know if we can provide printed flyers.
- Could our team attend upcoming events to help spread the word about the area plan?
- Are there student or parent groups interested in participating in a focus group?

Thanks!
